

JERSEY POLICY

Objective:

To ensure every NCHA player has a quality, but yet affordable, properly fitting jersey every season.

Applicability:

To all teams within the NCHA.

Process:

Prior to every season, each NCHA player will get sized for a new set of quality home and away jerseys that they will keep at the end of each season. A specific value from the NCHA registration will be applied towards 100% of the jersey cost.
